

HBEA Newsletter

The President's Corner

Aloha members:

Well, our fiscal year is about to come to an end. Looking back, I can honestly say that we have had a very successful year. The following HBEA members were recognized by WBITE and NBEA:

- Jean Hara was recognized as the Outstanding Post-Secondary Educator by NBEA.
- Stan May was awarded the Robert J. Thompson award by WBITE.
- Kay Ono was elected to serve another year as WBITE Secretary.
- Jean Hara was elected to serve as WBITE President-Elect for the 2004-2005 fiscal year.

This past year, membership has increased and we have had good participation at the Fall, State and Spring Conferences. We also made it possible to register and pay for conferences and membership online. We established an email list to improve communications to members and sent out electronic copies of our newsletter. Even with all this activity, we still spent less than we budgeted.

I would like to thank everyone for their support this past year and encourage you to continue your support for HBEA and our new President, Evelyn Sugihara.
